

Prasanjit Singh

FRONT-END DEVELOPER

ABOUT ME

I'm a front-end developer with a decent sense of designing as well.

I enjoy building interactive UIs with slick animations.

Currently, I'm with **Kayako** on a SaaS product.

WORK EXPERIENCE

2015 – Present

Kayako *Front-end Engineer*

Working on a customer support app built on Ember.js, product's website and a couple of other web apps using Vue.js and Backbone.js.

2014 – 2015

ADI Group *Senior UI Designer*

Designed web apps, websites & mobile apps for the clients.

2012 – 2014

DigiMantra Labs *UI Designer/Developer*

Designed and developed websites & web apps for the clients.
