

# Prasanjit Singh

FRONT-END DEVELOPER

## ABOUT ME

I'm a front-end/UI engineer focused on developing jank-free UIs and delivering a smooth user experience. Currently, I'm with **Kayako** on a SaaS product.

## WORK EXPERIENCE

2015 – Present

### **Kayako** *Front-end Engineer*

Working on a customer support app built on Ember.js, product's website and a couple of other web apps using Vue.js and Backbone.js.

2014 – 2015

### **ADI Group** *Senior UI Designer*

Designed web apps, websites & mobile apps for the clients.

2012 – 2014

### **DigiMantra Labs** *UI Designer/Developer*

Designed and developed websites & web apps for the clients.
